

Hollye Attwood's (the University's outside investigator) comments to my attorney, Frene Wolf, and me:

"People in the music department behave like little children."

"People in the music department behave like kindergartners who scream if someone else gets a slightly larger piece of pie."

"How can you work with such people?"

"I am going to seriously recommend that the Tietjens professorship be used to hire a psychiatrist for the department."

"This could never happen in the corporate world."

In reference to two jobs I was applying for: "I would do anything I could to help you get one of these jobs."

Attwood's comment to my wife, Kathi, and Ferne Wolf:

"This entire complaint consists of pettiness and a few misunderstandings"

Attwood's comment to Ferne Wolf:

"If this case were to go to court, it would be thrown out on a motion"

Attwood's comment to [REDACTED], Teacher of Piano:

"The Music Dept. is a scummy department"

Gloria White's (Vice Chancellor for Human Resources) [REDACTED] regarding complaint:

[REDACTED]

Gloria White told me that she had never said to [REDACTED] any of the things [REDACTED], in her complaint, claimed Gloria had said to her.
