Dear Dean Schaal:

Thank you for your letter of 2 October 2014 in reply to our letter of 29 September 2014 regarding the status of Professor Jeffrey Kurtzman.

Your reply states that our letter asked you to "...review grievance review procedures employed nearly twenty years ago." Although we continue to believe that those procedures were unfair, the main purpose of our letter is not to ask that you again review the procedures, but that you "consider possible ways to ameliorate his situation." After more than twenty years, we respectfully request that you exercise your discretionary authority to relax the restrictions to which he has been subject.

Sincerely,

Edward Greenberg
